

FIXED LOWER RETAINER OR REMOVABLE LOWER RETAINER

Patient Name: _____

Fixed Retainer

PROS

- Can't forget to wear
- Can't lose
- Reliable

CONS

- Takes a few days to get used to
- Takes longer to floss
- Can become loose and movement can occur
- There is an additional fee if repairs are needed

Removable Retainer

PROS

- Easy to clean retainer
- Easy to brush/floss teeth

CONS

- If not worn as directed, movement will occur
- Can be easily lost or misplaced
- Can be uncomfortable to wear with upper retainer
- If lost, broken or doesn't fit, there is an additional fee to have it replaced
